To the best of my knowledge, all of the proceeding answers are correct. I hereby authorize the dental office to administer such medication and perform diagnostic and therapeutic procedures as may be necessary for proper dental care. I grant the right of the dentist to release my dental/medical histories and other information about my dental treatment to third party payors and/or other health care professionals.

Huckabee Dental

Financial and Insurance Policy

Our primary responsibility to you is to provide quality dental care. To maintain this standard of care, we believe that it is in the best interest of everyone to establish a patient account policy up front to avoid any misunderstandings. We will provide you with a written estimate of your financial investment prior to any treatment being rendered. Treatment estimates quoted are good for 90 days from the date of the estimate.

1. **PAYMENT IS EXPECTED ON THE DATE OF SERVICE**...In some instances, we may ask that you prepay for your dental services to reserve special appointment dates and/or times. Please indicate the method you intend to use to pay for your dental treatment, including your co-payment:

Credit Card Cash Check Care Credit I would like to know more about my financial options

2. **DENTAL INSURANCE**...We want to help you maximize your insurance benefits. Please remember, dental insurance does not always cover the cost of your treatment as anticipated. While dental/medical costs have increased exponentially in the past 10 years, dental insurance benefits have remained relatively unchanged over the past 40 years. We do not allow insurance companies to dictate the course of treatment for our patients. Rest assured that we will recommend a treatment plan that is appropriate for your diagnosis regardless of what your insurance might or might not reimburse.

We are more than happy to request that your insurance benefits be sent directly to our office with your consent and if your plan offers this service. Unfortunately, there are a few instances in which we cannot accept assignment of benefit. Some carriers will not send payment to the provider, even when we request that they do so. There are also insurance plans that are set up to reimburse on a "fee schedule", rendering estimates of coverage impossible. Finally, COBRA insurance, which is month to month insurance, pays benefits totally dependent upon receiving a premium by a set date. In these three instances, we ask that you pay in full for services at which time we will handle the paperwork to see that you receive direct reimbursement from your carrier in a prompt manner.

Many insurance plans have frequency limitations, alternate benefit clauses, and other exclusions that **may limit your coverage**. Ultimately, the patient is financially responsible for treatment costs. As a courtesy, we will attempt to obtain an *estimate* of your dental insurance assistance prior to services being rendered. If insurance does not pay as anticipated, our financial policy requires that the remaining balance be paid in full within 25 days of the final billing date. In addition, any insurance claim aged over 60 days that has not been paid or denied by the insurance carrier will become the patient's responsibility.

3. **ADDITIONAL ACCOUNT CHARGES**...We reserve the right to add a service charge to overdue accounts. The service charge will be a minimum of \$5.00 and a maximum of \$25.00 each month. A charge of \$25 will be applied to all returned checks. We require that returned checks and fees be cleared by cash, certified funds, or credit card. We also reserve the right to charge up to \$50 per lost hour for last minute cancellations and failed appointments.

4. **DIVORCED PARENTS and THIRD PARTY BILLING**...It is the policy of this office that the parent/guardian accompanying the child to the visit be held responsible for treatment consents and all charges incurred; regardless of insurance, divorce decrees, or financial situations. We do not bill to any other third parties and we do not accept assignment of benefits from secondary insurance.

By signing below, I acknowledge that I understand and agree to Huckabee Dental's financial policies. Even if I do not currently have dental insurance, I understand that the "Dental Insurance" section applies to me should I obtain dental insurance in the future. I will promptly notify the business office with any changes in my phone numbers, mailing address, and dental insurance coverage and/or eligibility status. In the case of default of payment, I promise to pay any legal interest on the balance due, together with any collection costs and reasonable attorney fees incurred to effect collection of this account or future outstanding accounts.

PATIENT CONSENT TO TREATMENT

In reading and signing this form it is understood that ENGLISH is the language that I understand and use to communicate.

PREVENTATIVE CARE: I consent to services provided for regular diagnostic and routine care recommended by Huckabee Dental. These services may include but are not limited to prophylaxis (cleaning), oral examination performed by a dentist, periodontal evaluation, oral cancer screening, and fluoride treatment. I understand that the long term success of treatment and status of my oral condition depends on my efforts at maintaining proper oral hygiene (i.e. brushing and flossing) and my diligence with regular recall visits. I further understand that failure to abide by recall intervals set by Huckabee Dental will negate any guarantee that may exist on restorative and/or prosthetic services provided by the dentists. _____ (Initials)

DIAGNOSTIC RADIOGRAPHS: I understand that Huckabee Dental utilizes intra-oral and extra-oral digital radiograph to assist in obtaining an accurate diagnosis of dental condition(s). I authorize the performance of x-rays that the dentist considers necessary or advisable in the course of my examinations. _____ (Initials)

NITROUS OXIDE – I understand that to reduce anxiety, nitrous oxide is available to me for a small fee. Nitrous oxide is a mild gas that is mixed with oxygen and is used to sedate a person. It is administered through a mask placed over the nose. It can produce sensations of drowsiness, warmth and tingling in the hands, feet and/or about the mouth. In the dental setting, it will not induce unconsciousness. You will be able to swallow, talk and cough as needed. Recovery from nitrous oxide sedation is rapid. The gas will be flushed from your system with oxygen and you will be able to walk and drive safely. _____ (Initials)

LOCAL ANESTHETIC: I understand that with the use of an injection, used to numb the tooth for dental procedures, the possibility exists that I may inadvertently bite my lip causing possible injury. I understand the need to return to the office, for evaluation, if swelling and/or pain does not go away after a sufficient period of time. _____ (Initials)

PEDODONTICS (CHILD DENTISTRY) if applicable: I understand that the above requirements apply to my child. I further understand that the following procedures are routinely used at this facility, as well as being accepted procedures in the dental profession. _____ (Initials)

A. POSITIVE REINFORCEMENT - Rewarding the child who portrays desirable behavior by use of compliments, praise, a pat or hug, and/or token objects or toys.

B. VOICE CONTROL - The attention of a disruptive child is gained by changing the tone or increasing the volume of the doctor's voice.

C. PHYSICAL RESTRAINT - Restraining the child's disruptive movements by holding down their hands, upper body, head, and/or legs by use of the dentist's or assistant's hand or arm.
